Year 2 'Let it Grow' event

Celebration event

Dear Parents and Carers,

On Friday 25th October please may your child come dressed as something to do with plants. This could be a floral top or crazy plant hair or maybe a whole plant costume. Our topic this half term is 'Let it Grow' and in Science we will be looking at plants and how they grow. You are invited into the hall at 2.50pm for our special celebration and see some of our work that we have created for this topic.

We look forward to seeing you.

Many thanks for your continuing support,

The Year 2 Team

Woodpecker class: Miss Leggett

Fox class: Mrs Smith

Badger class: Miss Innes (Year Leader)
