

Dear Parents and Carers,

For the children's Home Learning Project, we would like the children to find out about nocturnal animals, such as owls, bats and badgers. Please help your child to make a very simple poster, fact file or little book with illustrations, captions or sentences, and bring this into school by **Friday 16th November**. You are invited to help as much as you like when supporting your child with this project, however please encourage the children to do their own writing!

Have fun researching together!

We look forward to reading your facts!

The Year 1 Team
