

Year 2 Home Learning Project

The children's home learning for this half term will be to make a cabin out of **one** shoe box. We would like to create a display in our corridor like the picture below using the shoe boxes that the children bring. You can decide if you would like to create a 1st, 2nd or 3rd class cabin. You could decorate your shoe box with cardboard, felt pens or anything you may have in the house. Please may this be handed in by Friday 23rd November. If you have any questions, please see your class teacher.
