This year we are trying a new fundraising event. As well as being active and healthy we will be having loads of rainbow coloured fun at the first Shirley Schools Colour Run on Saturday March 23<sup>rd</sup>.

FOSIS are raising money to improve the large playground equipment alongside a grant secured by the school and the PTFA are raising money for PE equipment.

See what you can do to help improve your school and your playground facilities, get as many sponsors as you can. Challenge yourself to see if you can raise extra money by running an extra lap!
