PARENT REPS NEEDED

Every class in the school needs two parent reps. This is a lovely way to get a bit involved, give a bit back to the school and to be a bit social with your fellow parents. Responsibilities are: - helping to run your year group cake stall (one a year), running a stall at the summer fair, attending 1 or 2 parent forum meetings a year, organising any thank you presents for your class teacher/s and assistant and organising any social events that you fancy. If this could be you then please let

either the office, Jo James, Jen Bleeck or Susan Kinch know, or ask us for more info. Your class needs you!

Additional Information

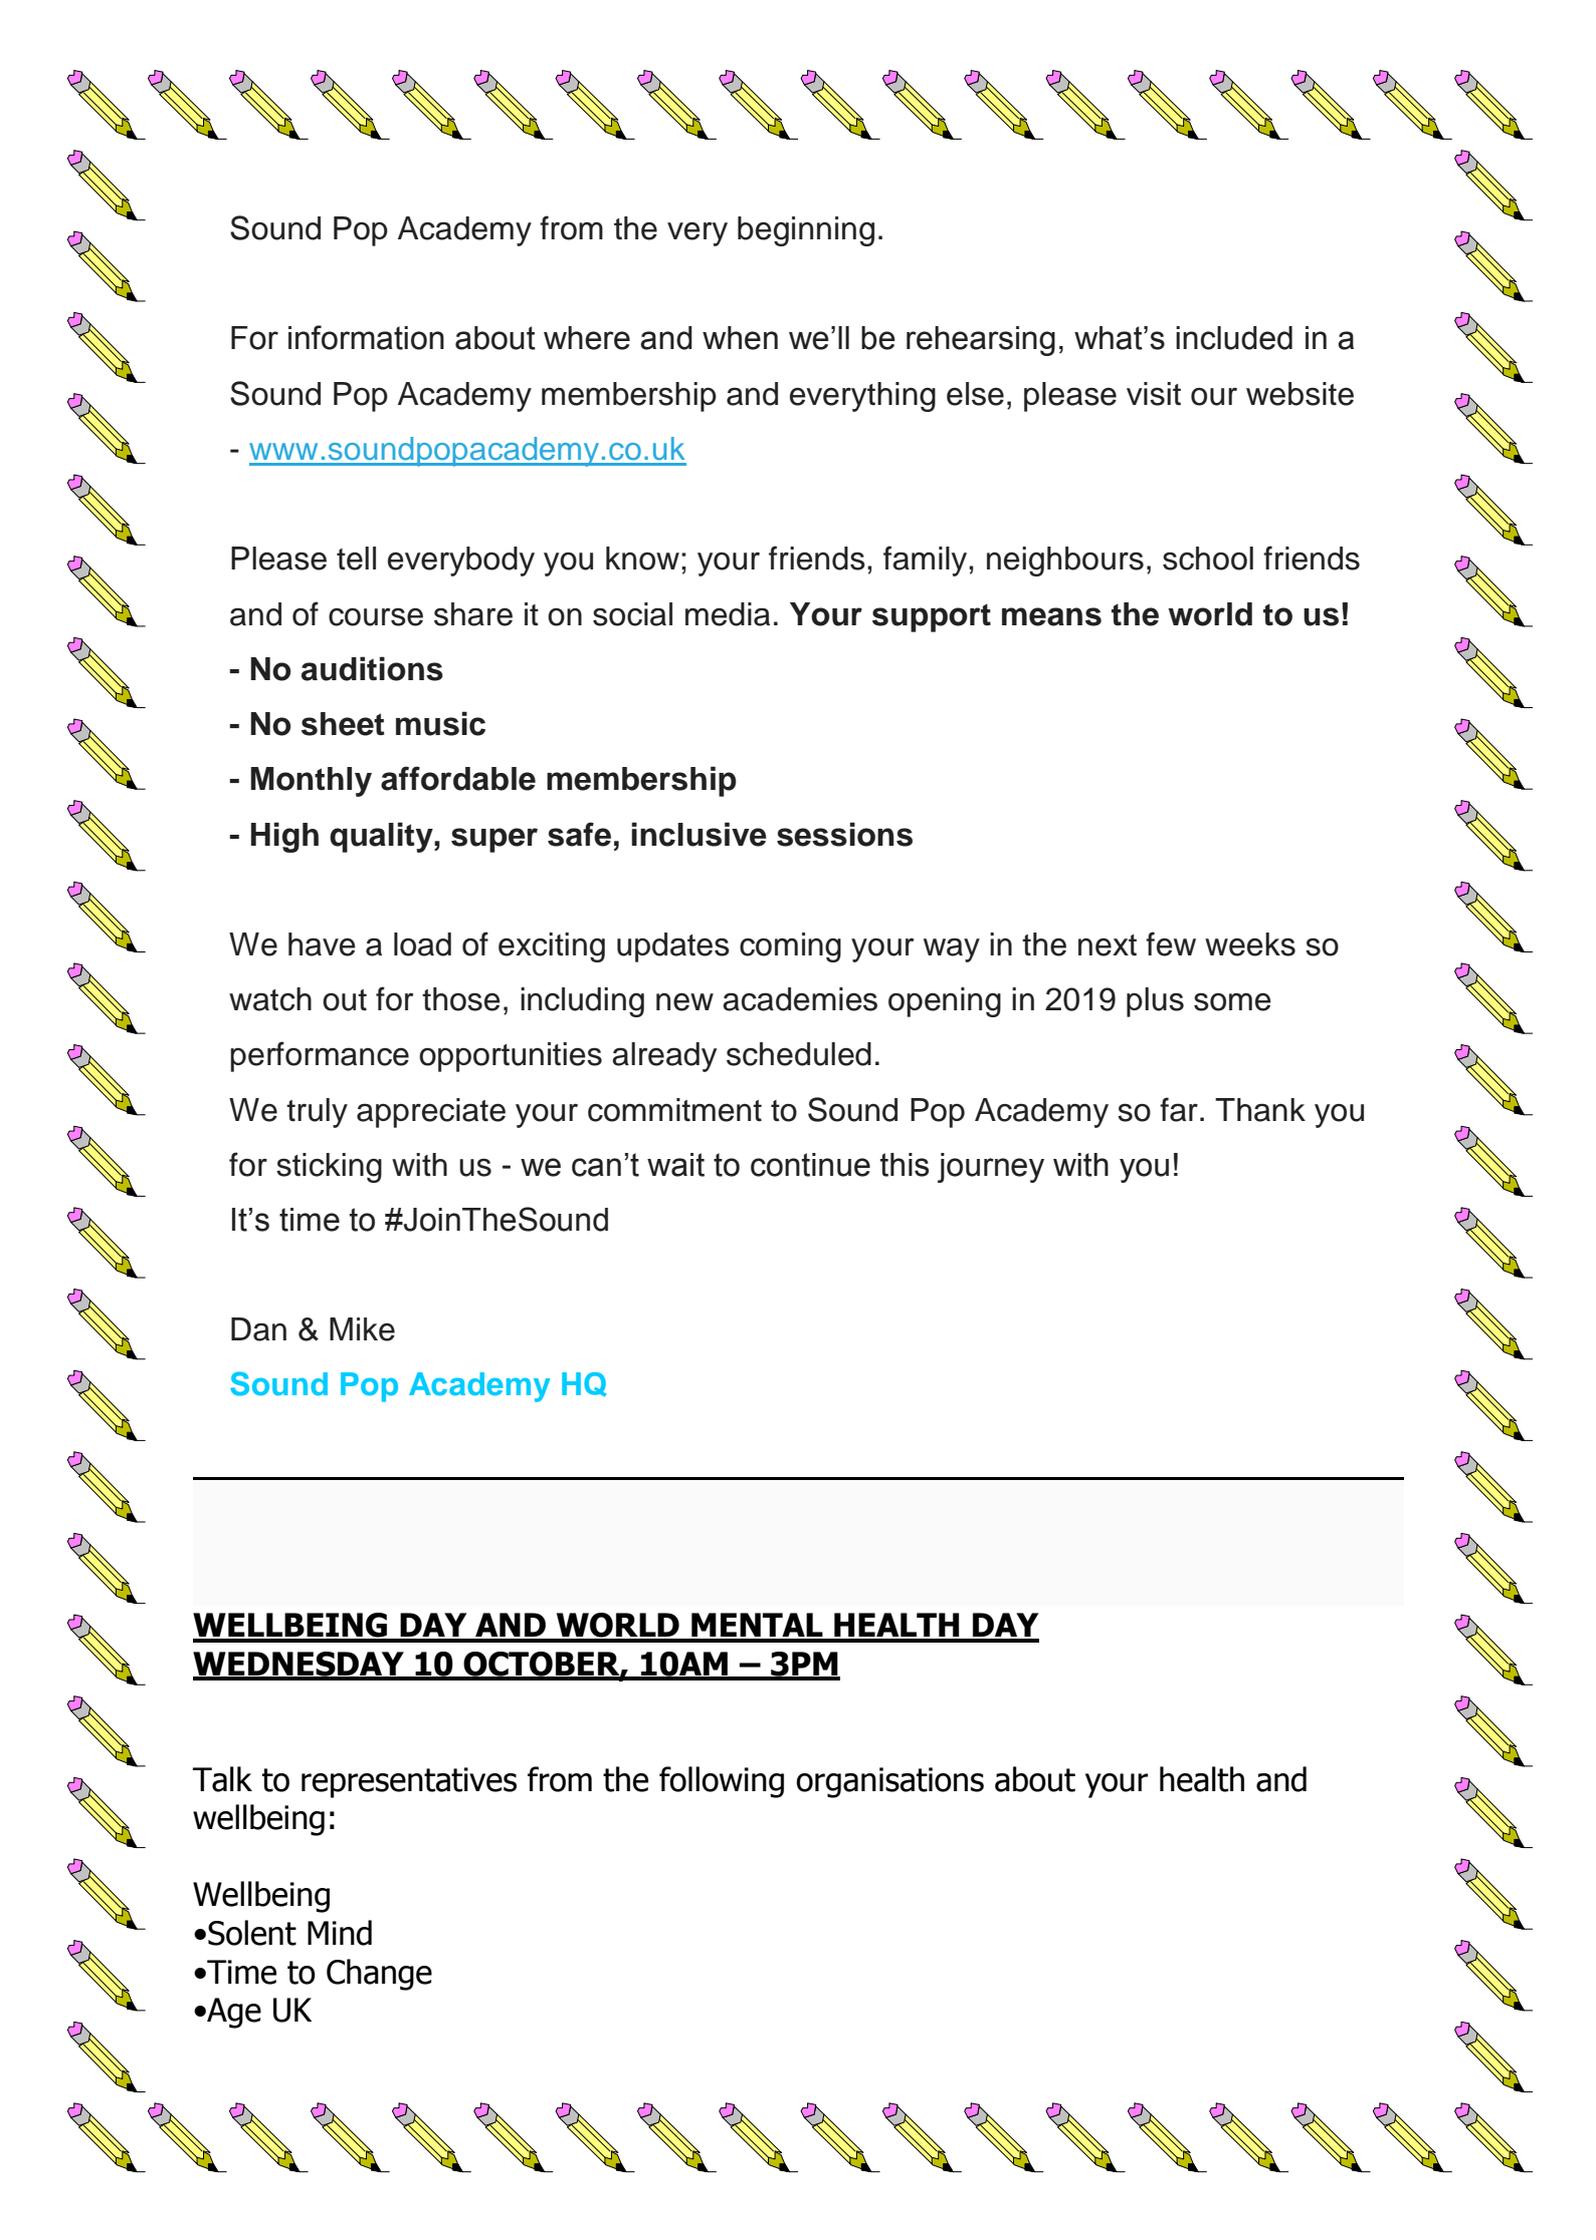

Our website is now LIVE! ⚡

Sound Pop Academy was just a thought back in 2016. The idea of offering a contemporary, fun and accessible group for young people to come to and learn awesome harmonies, vocal skill, immense choreography and have performance opportunities like no other was something we wanted to offer. After two years of planning and prepping, we're super excited to finally be able to share our website with you.

With just days to go until we throw open our doors in Southampton and Hedge End, we want everyone who's interested in performing, singing, music and dance and to experience what we have to offer. Therefore we offer a **FREE** trial to anyone aged 7-17.

To attend Sound Pop Academy, you must register for your free trial via the website.

Our awesome staff are ready and excited to lead creative and immersive sessions so come along and give it a go. We would LOVE you to be a part of

Sound Pop Academy from the very beginning.

For information about where and when we'll be rehearsing, what's included in a Sound Pop Academy membership and everything else, please visit our website - www.soundpopacademy.co.uk

Please tell everybody you know; your friends, family, neighbours, school friends and of course share it on social media. **Your support means the world to us!**

- **No auditions**
- **No sheet music**
- **Monthly affordable membership**
- **High quality, super safe, inclusive sessions**

We have a load of exciting updates coming your way in the next few weeks so watch out for those, including new academies opening in 2019 plus some performance opportunities already scheduled.

We truly appreciate your commitment to Sound Pop Academy so far. Thank you for sticking with us - we can't wait to continue this journey with you!

It's time to #JoinTheSound

WELLBEING DAY AND WORLD MENTAL HEALTH DAY
WEDNESDAY 10 OCTOBER, 10AM – 3PM

Talk to representatives from the following organisations about your health and wellbeing:

- Wellbeing
- Solent Mind
 - Time to Change
 - Age UK

- 
- British Red Cross
 - Stroke Association
 - Southampton Healthy Living
 - The Quays
 - Steps to Wellbeing
 - Library stall

They will provide information, help, advice and support about looking after your mental and physical health, healthy eating and how to prevent stroke.

Find out how healthy you are with a 20 minute mini-health check (just drop in, no need to book). Or maybe you know somebody who is lonely, or struggling with memory loss but not sure who to talk to.

To enhance your wellbeing try out taster sessions in Tai-Chi and Yoga or listen to the soothing sounds of our Council choir, Sing Force, between 1pm and 2pm.

Visit the library stall for information about useful self-help books, groups that meet in the library and the many other services offered by the library. Look out for Shelf-Help, books aimed at young people, to help them look after their mental health

Kind Regards,

Amanda Hunt
