Classes J1 - J4 are First Year Age Group in mixed Classes.  
 Classes J5 - J8 are Second Year Age Group also in mixed Classes.  
 Classes S1 and S2 are Third Year Girls Classes. These have taken the same Age Group Tests as the Third Year Boys in Classes S3 and S4.  
 Classes S5 and S6 (Girls) and S7, S8, S9 (Boys) - Fourth Year children due to leave for Secondary School - have been given separate Tests.  
 The Age Group marks cover the basic subjects only. Class positions are assessed on all the marks listed above.

COMMENTS - Ann is rather a scatter brain and inclined to day dream but she has settled down quite well this term, developing a more adult attitude to her school work. Her English is of a good standard with some very interesting and unusual creative writing especially some very imaginative poetry. It is a pity she did less well in her arithmetic, I feel she was rather nervous and did not do herself justice.

COMMENTS -

*Ann's English is of a high standard, especially some of her creative writing which can be most interesting, although her arithmetic is somewhat weaker. I feel that unfortunately her concentration has not been as great as it should be this term, although she has produced some good work.*

SHIRLEY MIDDLE SCHOOL

End of school year report on Ann Weeks  
 Age 11yrs 10mths Class 4B Average age of Class 12yrs 4mths

Work Grading	A	B	C+	C	C-	D	E
	Excellent		Good		Average/Satisfactory		Poor
Effort Grading	1		2		3		
	Concentrated effort and interest.			Satisfactory effort & interest		Poor effort and interest	

Mathematical Studies	Work · Effort		Comments
	Grade	Effort	
English Studies	B	2	Ann has surprised me with her attainment in English and Mathematics. It shows that she has much academic potential - if only she would apply herself more fully!
English Studies	A	2	
Environmental Studies (History, Geography, Science)	A	1	An excellent result and rightly earned by hard work and interest. Well done Ann!
French	C-	3	Lacks the effort.
Music			
Art/Craft	C+	2	Above average ability for the class
P.E./Games	B	2	

General Behaviour: Excellent during the year. Ann has clearly shown her potential for academic work and ultimate success in scholastic work yet, I feel, she does not extend herself fully in English and Mathematics.  
 I wish you every success at your new school, Ann.

AGE 11yrs 5mths Average age of Class 11yrs 11mths

### ACADEMIC WORK

Ann's attitude and ability  
Is too prepared to cruise along at half speed and has to be constantly supervised at her school work. This is a pity, because Ann has much ability - above average for the class

#### English studies

Again, a reluctance to get down to the hard work of this subject. There is room for improvement in teaching and writing.

#### Mathematical studies

Once Ann encounters new or difficult work she is inclined to give in. A more determined approach could produce far better results.

*M. Smith*

#### Environmental studies

(History, Geography, Science etc.)

Satisfactory results, which could be much better if Ann would learn to work well and responsibly on her own.

#### Recreational interests

(P.E., Art, Music, Craft)

Again a rather diffident attitude to school work is reflected in average results which ~~do~~ do not reflect her real ability

#### Social attitudes and behaviour

Is somewhat shy and retiring in social situations with a reluctance to give herself fully to school and class activities. Ann must be prepared to work very hard this coming term if she is to realise her full potential. All support and help from home and school will be needed.  
Behaviour is good.

### PARENTS/GUARDIANS

Your comments are invited on how you think your child is progressing at School. We shall particularly appreciate any extra information that you can give us with regard to problems and difficulties concerning school and school work.

Ann's maths have always been weak,  
but I am surprised at her English remarks,  
as her reading and writing have always been considered  
to be of a high standard.

Please sign and return this report to the class teacher.  
Reports will be returned to you in due course.

### SHIRLEY MIDDLE SCHOOL

Progress report on Ann Weeks  
in Class 4B for the half year  
ending 12th February 1971

Dear Parents,

The purpose of this report is to give an account of your child's achievements during the past few months. Believing that the child's education is the joint responsibility of parent and teacher, we invite you to make your comments in the space provided. This report will be followed after half term by an opportunity for you to meet your child's teacher and discuss matters further.

The Headmaster and Staff.
