Dear Parents and Students,

Light UP are excited to be offering a Drama Day at Shirley Schools when the schools are closed for their planned INSET on **Monday 15th October**. Instead of having to spend countless hours and pennies on finding childcare, you can pick up and drop off as normal to the school. Kids will be thoroughly entertained as they work together through a wide variety of games, exercises and activities designed to challenge their imaginations and creativity as they work together to put on an "Alice and Wonderland" themed show to be shared with one another at the end of their school day.

Who We Are

Light UP is a not for profit organisation who run local performing arts classes in Hampshire. We started in 2014 to ensure more young people had access to the many benefits drama has to offer, at affordable prices. All of our classes focus on building young people's confidence, self-esteem and social skills for the stage and for life. Our teachers are inspirational, experienced and are DBS checked and hold Paediatric First Aid certificates.

How Much Does it Cost?

Each spot is £15 for the day, with any additional siblings and current Light UP members at £10 for the day. We then give the school or PTA 15% of the total fees collected. Families can either pay by cash or cheque, cheques must be made out to Light UP Drama.

What Next?

If you would like to attend our Light UP Drama Day, **please complete the slip and return to the school office with payment by October 8th, 2018 to be registered**. If you should have any questions or concerns regarding the day, please e-mail info@lightupdrama.org.uk. A confirmation email will be sent out to everyone attending that will detail what you need to know for the day and give you a brief outline of what can be expected.

We can't wait to meet all of you and help Shirley Infant and Shirley Junior Light UP with us!
