

20th March 2019

Dear Parents/Carers,

We are so proud of our active community and how mindful you all are of coming to school in energetic ways. Therefore, we are taking part in this Year's Big Pedal Event run by Sustrans. For ten days we will be recording how actively the children travel to school. The most active schools in the country could be in with a chance of winning amazing prizes to support being active in school. Between 25th March and the 5th April please be as active as possible when traveling to school, even the teachers are getting involved! If you would like to know more about this event then please see their website (<https://bigpedal.org.uk/>) or read the attached information sheet about the Big Pedal 2019.

Thank you for your continued support.

Ellen Kennedy
