

## Weekly Communication

Please reply to [info@si.jetrust.org](mailto:info@si.jetrust.org)

Dear Parents and Carers,

**Please find attached to this e-mail the following letters;**

- Year 2 Trip Permission Letter
- PSHE Newsletter
- PSHE Flag
- Year 1 Spellings
- Year 2 Spellings
- Executive Directors Letter

**Please find the above attachments also on our website**

**[www.shirleyinfantschool.org.uk](http://www.shirleyinfantschool.org.uk) under PARENTS, LETTERS, LETTERS AUTUMN 1**

**WEEKLY WEBSITE FOCUS – Ever wondered what Pupil Premium is??**

Have a look on our website under ABOUT US, PUPIL PREMIUM

### **PARENT CORNER**

Please note Parent Corner will be held in the Infant School meeting room on Monday 17<sup>th</sup> September, so please come through the main office.

### **SCHOLASTIC BOOK CATALOGUES**

Scholastic book catalogues are in book bags this week with loads of fantastic books to choose from. It's never too early to plan for Christmas. Every £1 you spend earns 25p for our school in Scholastic Rewards.

Please place your order online by September 25th, 2018 at <http://schools.scholastic.co.uk/shirley-infant>. Books are normally in school within a week of the deadline.

# Additional Information

## **MILLBROOK ROUNDABOUT RECONSTRUCTION**

Essential work to reconstruct the foundations and resurface Millbrook Roundabout is planned to start on 1 October 2018 and is expected to take 28 weeks to complete. Due to the scale and depth of the reconstruction work the roundabout will need to be partially closed in four phases each taking from six to eight weeks.

The impact of the closure of each section of the roundabout is likely to be significant and we anticipate there being congestion and delays particularly at peak times. We are advising motorists to plan their journeys, allowing extra time and to follow the advised diversion routes. [Travel advice can be found on our website.](#)

If residents or commuters are considering alternative travel arrangements, the Southampton [My Journey team have provided some advice.](#)

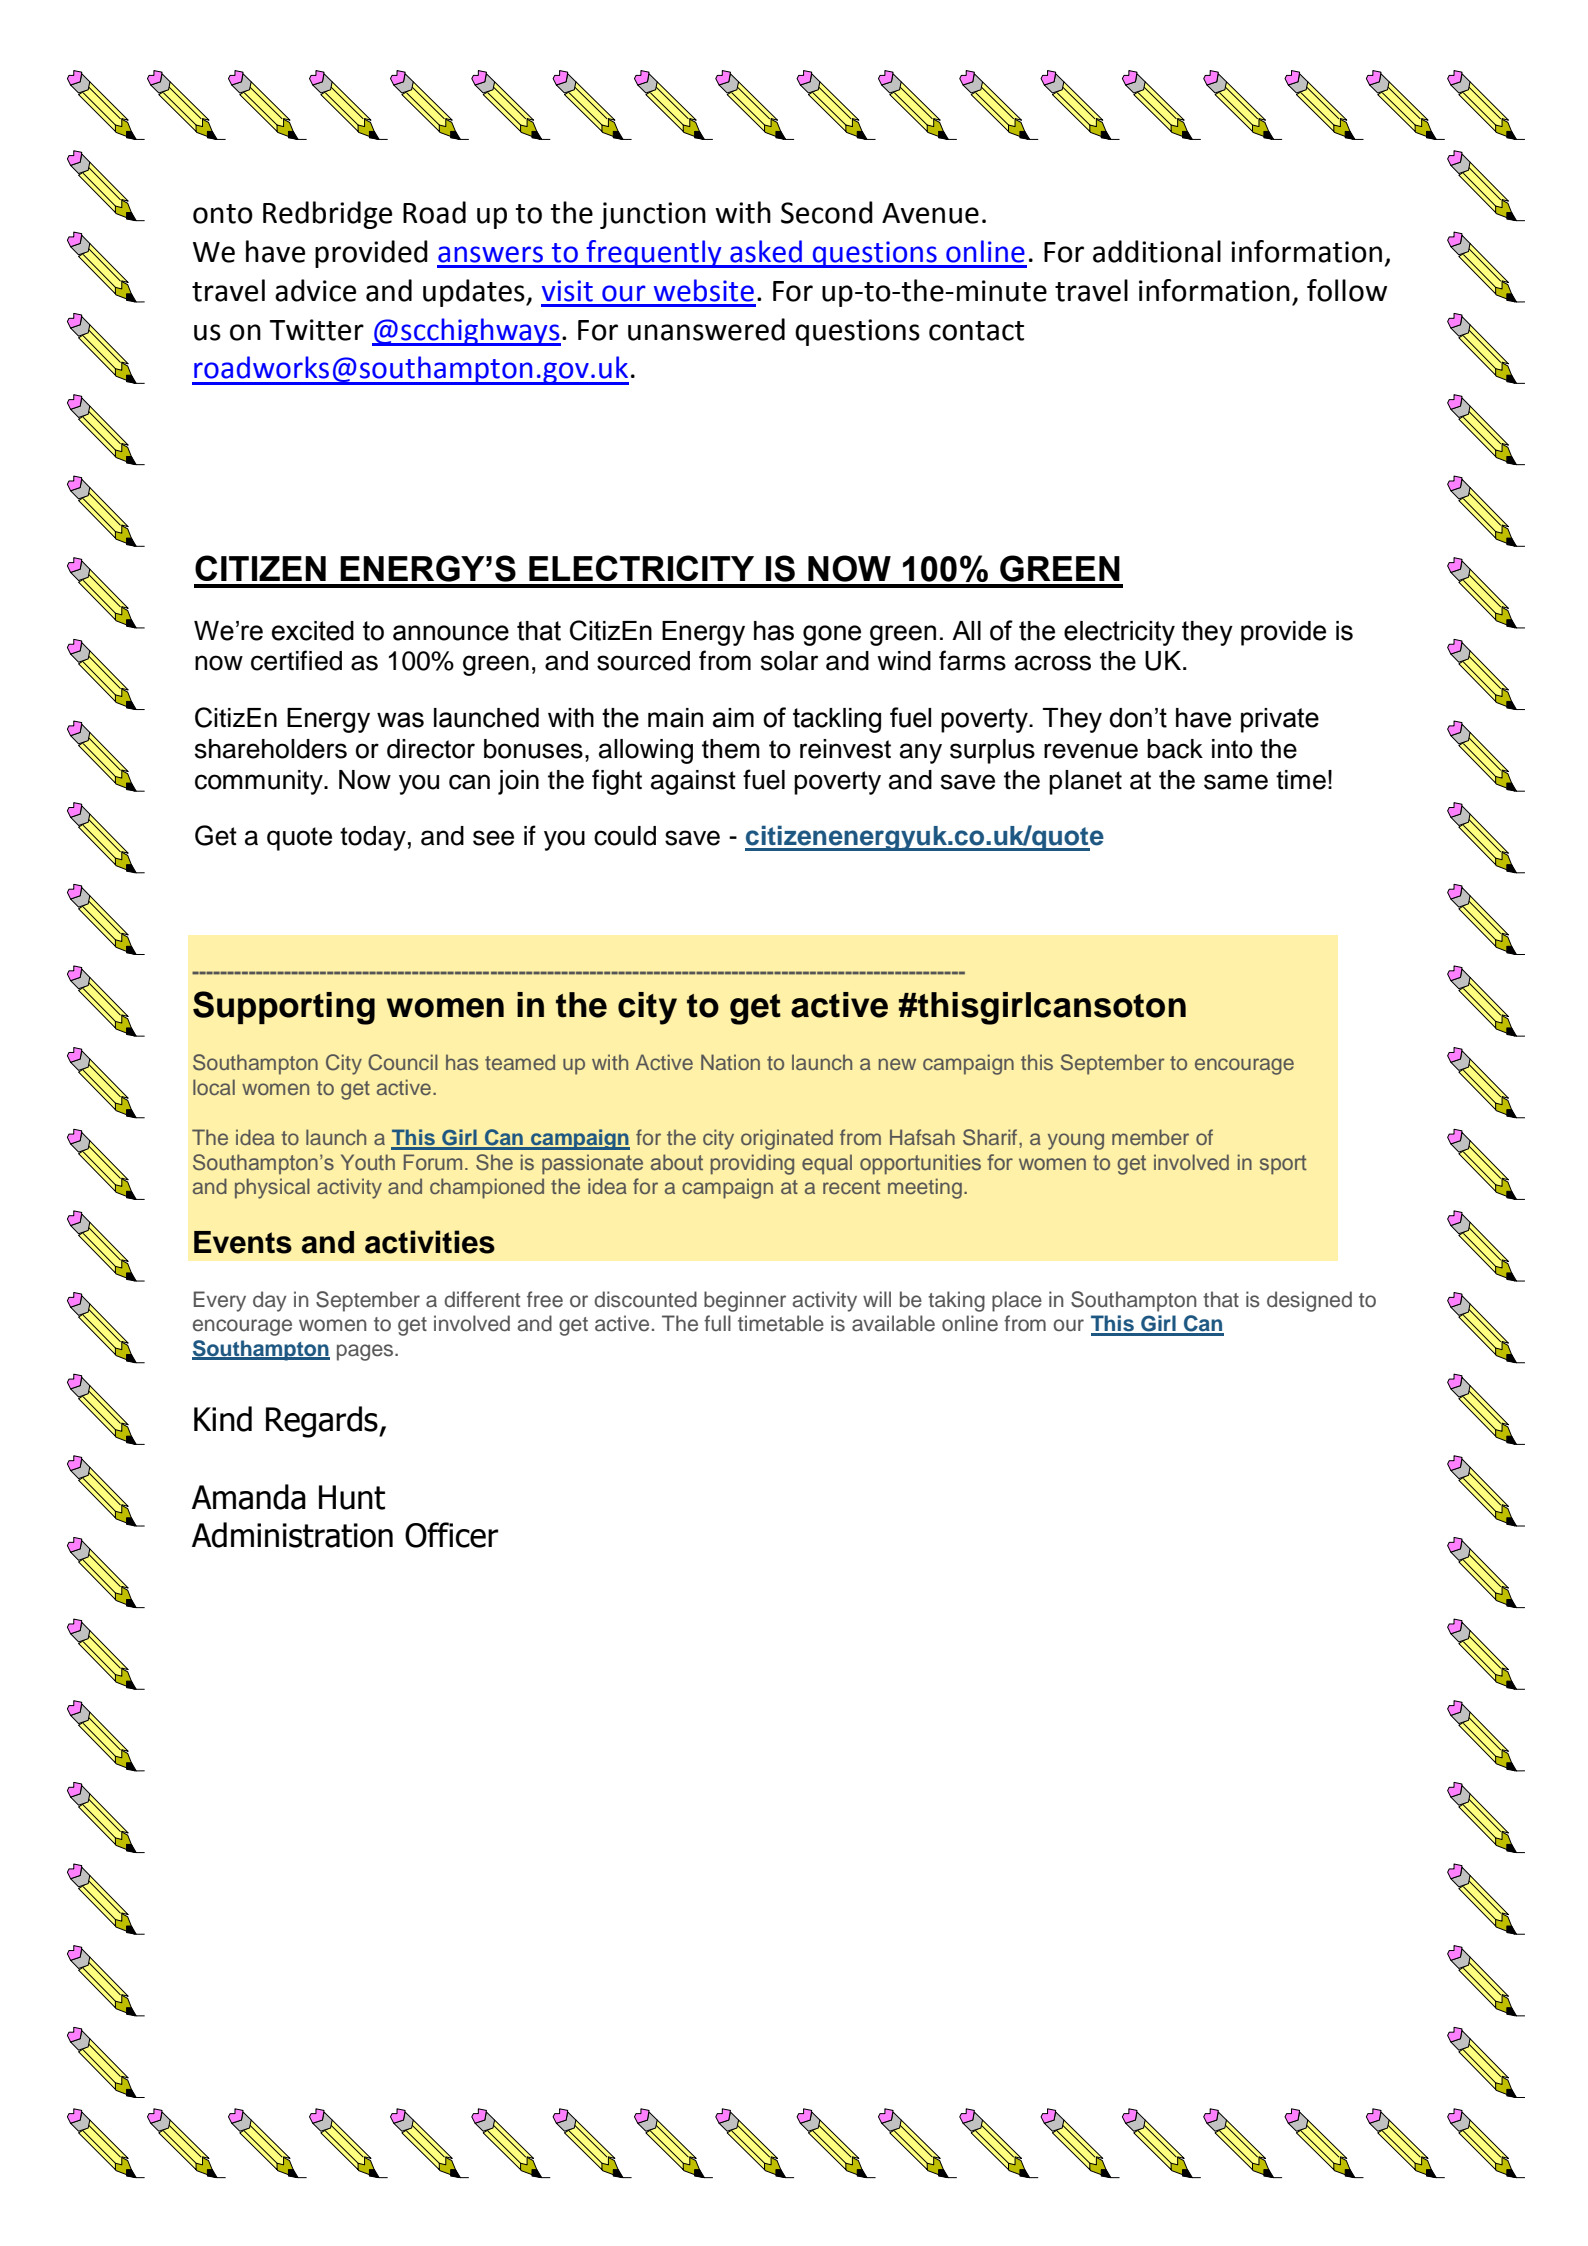

## **Phasing of work**

**Phase 1:** is planned to start 1 October 2018 and will require the closure of the north west section of the roundabout and is expected to take 6 weeks to complete. These works will require the closure of the inbound off-slip from Redbridge Road onto the roundabout as well as the junction with Wimpson Lane and the exit from the roundabout onto Tebourba Way (north bound).

**Phase 2:** is planned to start mid November 2018 and will require the closure of the north east section of the roundabout and is expected to take 5 weeks to complete. This will require the closure of the roundabout junction with Tebourba Way (southbound) and the off-slip from the roundabout onto Millbrook Road West.

**Phase 3:** is planned to start from the beginning of January 2019 and will require the closure of the south east section of the roundabout and the southbound section of First Avenue up to the entrance to City Depot and the Household Waste and Recycling Centre (HWRC). This phase is expected to take 7 weeks to complete. This will require the closure of the outbound off-slip from Millbrook Road West onto the roundabout as well as the exit from the roundabout and First Avenue southbound.

**Phase 4:** is planned to start from the beginning of March 2019 and will require the closure of the southwest section of the roundabout and the northbound section of First Avenue up to the entrance to the HWRC. This phase is expected to take 7 weeks to complete. This will require the closure of First Avenue northbound up to the roundabout and part of the off-slip

onto Redbridge Road up to the junction with Second Avenue.

## **CITIZEN ENERGY'S ELECTRICITY IS NOW 100% GREEN**

We're excited to announce that CitizEn Energy has gone green. All of the electricity they provide is now certified as 100% green, and sourced from solar and wind farms across the UK.

CitizEn Energy was launched with the main aim of tackling fuel poverty. They don't have private shareholders or director bonuses, allowing them to reinvest any surplus revenue back into the community. Now you can join the fight against fuel poverty and save the planet at the same time!

## **Supporting women in the city to get active #thisgirlcansoton**

Southampton City Council has teamed up with Active Nation to launch a new campaign this September to encourage local women to get active.

The idea to launch a [This Girl Can campaign](#) for the city originated from Hafsah Sharif, a young member of Southampton's Youth Forum. She is passionate about providing equal opportunities for women to get involved in sport and physical activity and championed the idea for a campaign at a recent meeting.

### **Events and activities**

Every day in September a different free or discounted beginner activity will be taking place in Southampton that is designed to encourage women to get involved and get active. The full timetable is available online from our [This Girl Can Southampton](#) pages.

Kind Regards,

Amanda Hunt  
Administration Officer
