

## Year 2 Spring 2 Home learning.

Our Home Learning project this half term is based around the bakery in Pudding Lane, in the Great Fire of London. We would like you to bake something which could be sold in a bakery. Please may you take a photograph of your creation or email the school if easier. You may wish to write a short description of the appearance and taste of your baked goods. We look forward to seeing your creations. Please may this be handed in by

Thank you for you continued support.
