

Year 2 Maths Home Learning

Summer 1

Our focus this half term is:

- To revise the four operations; add, subtract, multiple and divide.

Encourage your child to think about which method is the most appropriate; mentally or to use a method they have been shown at school.

e.g.

$$52 - 33 =$$

$$? \times 5 = 30$$

$$25 + 10 + 30 =$$

$$120 \text{ shared by } 10 =$$

$$32 - ? = 12$$

$$? + 28 = 36$$

Please feel free to share what your child has done. They can share to the class or bring in their work.

If you need any support, your child's teacher will be happy to help.

Online

Don't forget, your child has access to:

There are other games online too.
