

# Memories of Shirley School

## Betty Robinson

---

Congratulations on your Centenary. Our three children attended Shirley Infants & Junior Schools which gave them all a good start in education & life skills.

I have attached in case they are of interest

1. Photo in playground no date or occasion known.
2. Christine Robinson born August 1955. She was in the last intake year of Southampton Girls' Grammar School. Miss Ferrant was head of Shirley Junior School for Girls at that time.
3. Peter Robinson born 1962 in his new school blazer.
4. Cardwell school photo of Brian Robinson born 1965.

One of my strong memories is of the camaraderie of we "mums" who pushed our prams back & forth to the Infants school four times a day to take & fetch our children who were often so tired they joined their younger siblings in the pram so they could hitch a ride home!
