

How exciting! You are moving from Year R to Year 1.

Your new class is Rabbit Class.

**Your teachers are Mrs. Lubbock-Smith
(Monday-Wednesday) and Mrs. Arnott
(Thursday-Friday).**

Your teaching assistant is Miss Peia

We hope you have an amazing time in Year 1 and a super summer holiday!

Some things will be the same.

You will have playtime only in the big playground as you are now a big year 1. The little playground will be for the new Year R children.

You will still do all your amazing learning in Phonics, Maths and Discover and Explore. You might have to sit on your chair to work for a little bit longer but your teacher will help you with this.

You will still have MOOT and lots of time to be curious and you will still have PE lessons in the hall or on the field.

You will still have fruit in your classes for snack time and class monitors to help with jobs in the classroom.

Some things will be a bit different.

You will come to school through this door each morning.

Your classroom will look like this.

These will be your toilets. You will walk down the corridor to get to them.

A message from your new teachers:

Hello! We are both very excited to see you again in September when you join our super Rabbit Class! We are going to have a wonderful time with lots of fantastic adventures and fun along the way! In Year 1 you will learn lots of interesting things and it will be lovely to share these with you. Have a great Summer, keep smiling and we'll see you again soon.

Love,

Mrs Lubbock-Smith and Mrs Arnott ☺

A message from your new teaching assistant:

I am thrilled to be joining the Rabbits and I am extremely excited to meet you all. I will tell you a bit about myself. I enjoy spending time with my family, baking cakes with my daughter and walking through New Forest. Did you know just a few days ago I saw a deer and she stopped staring at me and my family! My favourite author is Roald Dahl and he wrote many amazing books for children. I can't wait to meet you all but for now stay safe and enjoy the sun!
