23<sup>rd</sup> September 2019

Dear Parents / Carers,

We are writing to let you know that we have been informed today that the school will be inspected by Ofsted under section 8 of the Education Act 2005. The inspection will last 2 days starting tomorrow on 24<sup>th</sup> September 2019.

Attached to this letter is the notification letter for parents from Ofsted for your information. The leaflet referred to is a short guide for parents on the inspection process and we have posted this on our school website today for your information.

We are expecting a short inspection and therefore the day will no doubt be a busy one for ourselves and the Ofsted inspectors. We are extremely proud of our children and community and look at this as a rewarding chance to show Shirley Infants commitment.

As outlined in the attached letter parents are invited to complete an online survey on the link provided but this has a very short turnaround with parents asked to complete it by noon tomorrow. When we have invited parents to complete our own surveys during the year you have been positive overall. I would therefore ask and encourage you to take a few minutes to complete this survey to share your views of the school. During the school day tomorrow, it will be a normal day for the children but we would ask for your support should we be unable to respond immediately to any queries.

We look forward to coming back to you in due course regarding the outcomes of the inspection.

Yours sincerely,

Cate Gregory  
Head Teacher
