

Year R Maths Home Learning

Autumn 2

Our focus this half term is:

- To continue to be able to write numbers to ten.
- To be able to count 1 more and 1 less.

Children have been shown to count 1 more and 1 less through practical objects, mentally and using a number line. Ask them to show you and allow them to use which method they feel most comfortable with.

Please feel free to share what your child has done, fill in a wow moment for your child's teacher to share or bring in their work.

If you need any support, your child's teacher will be happy to help.

Online

Don't forget, your child has access to

There are other games online too.
