

Here are some activities  
you might want to try at  
home now you have listened  
to the story 😊

Can you write your own version of the story?

Can your aliens visit a different planet?

**Aliens Love Underpants**

Can you draw or paint your own alien and label it using amazing adjectives (pink spotty nose, pointy blue ears etc...)

Can you make your own alien and spaceship using junk modelling or Lego?

Can you make some alien party food?  
 Can you write a recipe or some instructions on how to make the food?

Can you make some aliens different sizes? A 5cm, 10cm, 15cm, 20cm alien... then you can challenge your family to estimate their size or put them in the correct order from shortest to tallest?
