

Harvest Celebration 2019

Dear Parents and Guardians,

Our Harvest Celebration will take place on **Friday 11th October**. The children are working hard on practising their year group songs already.

For this celebration we will be joined by children from one of the local pre-schools.

In school the children have been thinking about where their food comes from, especially at Harvest time. This celebration gives children the opportunity to begin to appreciate that there are other people in the country and the world who often go hungry for a variety of reasons.

We will explain to the children that if they wish they can bring a small food donation to school. The collection will be sent to the **Society of St James**, a homeless charity in Southampton. More information can be found at www.ssj.org.uk.

If you would like to contribute please send donations such as dried foods, tins or packets to your child's class from **Monday 7th October**.

Thank you very much in advance for any kind donations.

Yours sincerely,

Cate Gregory
Headteacher
