

How exciting! You are moving from Year 1 to Year 2.

Your new class is: Foxes

Your teacher is: Mrs Smith

Your teaching assistant is: Mrs Dunford

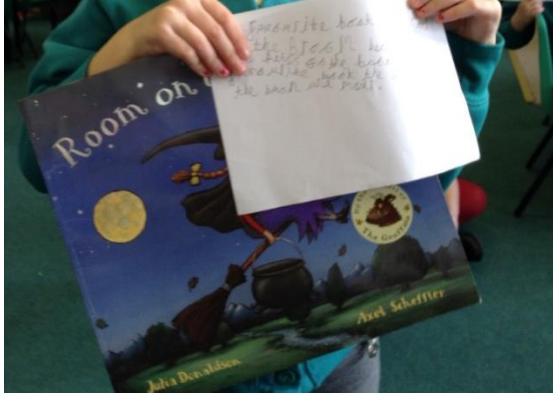

We hope you have an amazing time in Year 2 and a super summer holiday!

Some things will be the same.

You will still play in the big playground but this year you will be the oldest year group out there. That means there will be lots of little ones for you to look after.

You will still do all your amazing learning in Phonics, Maths and discover and explore will now be called English. You might have to sit on your chair to work for a little bit longer but your teacher will help you with this.

You will still have MOOT lessons and lots of time to be curious and you will still have PE lessons in the hall or on the field.

You will still have fruit in your classes for snack time and class monitors to help with jobs in the classroom.

Some things will be a bit different.

You will come to school through this door each morning. The first grown-up you will see from school will usually be Mrs Gregory. Then you will walk to your classroom to see your teachers.

Your classroom will look like this.

You will hang your coat, lunchbox and PE clothes here:

You will keep your book bag and other important things here:
