Who are FOSIS

We are a group of parent and friends of the school who join together to raise funds to help the school enrich our children's education. Although what we will do this year looks a little different to normal.

You can get involved in lots of ways

Join the committee – We currently have 2 co-chairs. Sue and I have been running the charity for 2 years now. We will continue this year because of the circumstances but can no longer give as much time as we once did. If there is anyone out there with fresh ideas then we will happily step aside please let us know.

We also have a vacancy currently for the role of secretary if anybody would like to step up.

We have general committee members and everyone is welcomed. Please contact us at
