25th June 2020

Dear Parents of Year 2 pupils starting Year 3 in September 2020

As the Government have now allowed schools to invite pupils back safely to take part in transition, we are now pleased to say we will be inviting pupils back to school towards the end of term to meet their new teacher and to have an opportunity to say goodbye to their current teacher. We aim for this transition to take place on **Wednesday 15th July and Thursday 16th July**. Once these plans have been made I will share with you how it will work, we obviously need to make sure we can adhere to our Risk Assessment, social distancing and keep all the staff and children safe.

Therefore, we have adjusted the activities slightly to take this in to account for the Year2 pupils joining us. Please see below the altered timetable of events. **We recognise that not all children will be able to make all these activities, as they may not suite your individual family circumstances. Please make sure they do attend the transition session.**

WK Beginning 22nd June (This week)

Reminder of your zoom call on Friday!

Each class will have a call with the year 3 team and be introduced to your class teacher. The invite has been sent out via Marvellous Me. We are all very excited to meet you!

Wk Beginning 29th June

During this week, your class teacher will arrange another zoom session with you to share an activity we would like you to do before our face-to-face transition in the final week of term. You should receive in the post this week some information about the school, your buddie's letter and the activity mentioned above.

Wk Beginning 6th July

For your parents we are organising a zoom coffee morning (could be an afternoon) where you can ask current year 3 parents questions and the teachers will also pop in to answer questions too.

Wk Beginning 13th July

During this week you will be invited in to meet your teacher face-to-face! We would like you to bring the activity we set into school so we can talk through them and put them on display for when you start in September. We will also be doing a few other activities so we can rebuild our friendships and the teachers can get to know you.
