

Autumn 1 Writing Challenge

Can you write a short story about one of our learning puppets? What adventure might they get up? Who might they meet? Will they need any help? In Year R your child could draw a story map and write any initial sounds. In Year 1 they might write short sentences to go with their pictures from the story. In Year 2 they might write a short story using exciting language. Here are all the puppets below.

Have you used the skills
of our learning
behaviours today?
