ONLINE SUPPORT

Mr Hack and Mrs Watts will be hosting an online support session next **Tuesday 12th January**. Details for this will follow. This will be a chance to try and iron out any issues that may occur whilst we launch our remote learning next week.

In the meantime here are a few helpful hints:-

- Ensure you switch your account to your child's Google Classroom account in the top right hand corner of your screen
- Please ensure you have the Google Meet app installed
- Other ways to try are through your device's web browser - type meet.google.com or classroom.google.com and run it through here
- We suggest downloading Google Chrome onto your device where possible

We will work through this together and take one day at a time
