

Year R Maths Home Learning

Autumn 2

Our focus this half term is:

- To continue to be able to write numbers to ten.
- To be able to recognise numbers to 20.

The children have been shown numbers to 20. Ask them to show you what the number looks like, how it can be represented practically and what the number is called.

Please feel free to share what your child has done, fill in a wow moment for your child's teacher to share or bring in their work.

If you need any support, your child's teacher will be happy to help.

Online

Don't forget, your child has access to

There are other games online too.
