

## What I already know...

I know how to log on to the school computers.

I know how to make marks using paint tools on a paint program.

# Animal Paintings

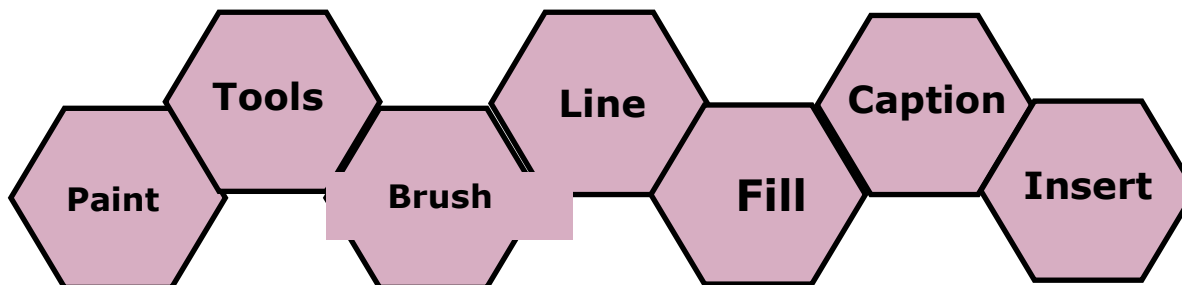

Children will create pictures linked to their topic using a paint software on the computers and use their keyboard skills to write a short caption about their animal.

## I will learn...

- ⇒ How to access different tools on a paint program
- ⇒ How to use tools with more expertise and precision
- ⇒ To choose a range of colours to paint with on a program

## Key Vocabulary

## Learning values

Curiosity
