EU Settlement Scheme and You.

When the Brexit transition period ends on 31 December this year, the Government will start to roll out a new immigration system.

This means that EU citizens and their family members (who right now exercise rights to live and work in the UK under EU law) need to obtain permission to stay in the UK.

If you or any of your family are EU, EEA or Swiss nationals you will need to apply to the EU Settlement Scheme.

Any person who misses the deadline on 30 June 2021 and stays in the UK will be here unlawfully, with no right to work or access public funds.

If in doubt – check it out:

Community Information

We would like to take this opportunity to thank all families for their ongoing support and understanding during these challenging times. As you know, our priority remains keeping every member of our school community safe. If your child is unwell with **any symptoms**, we request at this time that you keep your child off school. This will not only prevent our staff from catching illnesses that may stop them from working but will also protect potentially interrupting many families long awaited plans to celebrate Christmas.

If your child presents as unwell in school, the office will ask you to collect them as a precaution. Please support the school with this to protect our community.

Don't forget to look at our Community Information page also in the letters section for what's happening in Southampton.
