Parent/Teacher communication

Dear Parents and Carers,

We are extremely proud of how well the children have settled back into school and we are very grateful for all your continued support with the current procedures we have had to put in place.

We will be holding virtual Parents' Evenings early in Autumn Two, where everyone will have the opportunity to sign up for a 10-minute slot with their child's class teacher. More information will follow nearer the time. We appreciate that the usual channels of parent/teacher communication, in line with our 'open door policy', are temporarily not available. Therefore, we would like to offer any parent who has concerns about how their child has settled back into school or with their transition out of lockdown, a phone call home.

The phone calls will take place during week commencing 28th September. If you would like to request a phone call because you have a concern/s regarding your child's transition back into school, then please email the Infant or Junior email account below:

infantinfo@shirleyschools.co.uk **Subject : FAO Mrs Watts**

juniorinfo@shirleyschools.co.uk **Subject : FAO Mrs Tearle**

This will be a 10-minute phone call during the week of 28th September.

If your child has settled back in happily then please do not request a phone call. We will instead look forward to meeting you virtually in Autumn Two.

Many thanks,

Mrs Watts and Mrs Tearle
