Friday 15th March 2024

Head Teacher Message:

Dear families,

We have had a lovely week seeing the chicks hatch in Year R and have had the best whole school Science day today. Ask your little ones about the experiments they have seen and carried out.

In assemblies this half term we have been thinking about looking after ourselves and recognising everyone is different and how we celebrate this. We follow this with the right to be treated fairly and how we respect this when interacting with each other. We will then move on to celebrate Holi and Easter and look at how our cultures celebrate these festivals.

Just a little reminder that if you have a concern about the welfare of your child we ask that you call in and ask for a member of staff to call you back. Emails are not always seen the same day and we have shared that we will respond within three days because of this.

We truly want to keep the communication working for everyone so that you are not left worrying. As we always say we would much rather talk to you about a little worry than allow it to grow. Please remember our open door policy for the end of the school day. Staff are all out on the classroom doors and the main gate for you to catch us.

Whole School Dates:

Mon 25/3/24 – School Photo Day

Tue 26/3/24 – Year R Celebration event at 2.45pm.

Thu 28/3/24 – Last day of term

Messages:

Lost Property

If your child is missing any items of uniform the last day to check the lost property will be 28th March. After this date any unclaimed items will be recycled.

Messages Contd

PE Mats

We have 16 large PE mats from the Juniors that we are getting rid of in approximately six weeks. If you would like any please let reception know and we will keep hold of them for you.

Parkrun Number 9

Thank you to all the volunteers and children who took part in today's parkrun. We enjoyed having the inflatable start and finish today. Lots of you were wearing your t shirts which was great to see. We hope Darren is wearing his next week!

Well done to Laurie in Badgers who ran 10 laps. Also, thank you to Maya in Rabbits who helped to pick up the cones throughout the route. What a superstar! The sports leaders are starting to think about the words on the badges which will be exciting to see what they come up with.

I look forward to seeing lots of you next week.

Coming up in your year group...

Year R

Celebration Event

The year R celebration event will be held on **26th March at 2.45pm**, we look forward to seeing you there.

Science Day
