

What I already know...

Uses simple tools and techniques competently and appropriately. (EYFS, MM 40-60+).

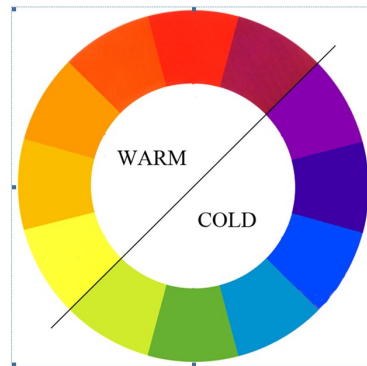

I can enclose a space in my drawing (EYFS, M&H 30-50).

Explores what happens when they mix colours

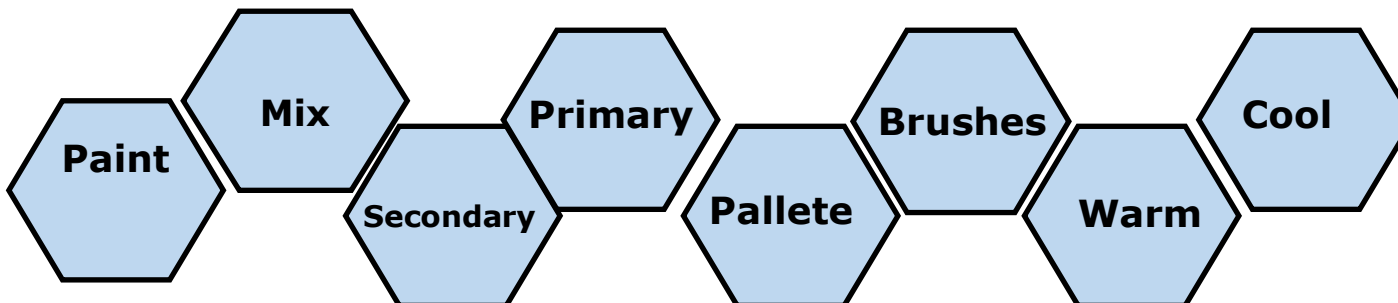

Manipulates materials to achieve a planned effect (EYFS, MM 40-60+)

Let's Paint

Children will recognise Primary colours and understand they mix together to create secondary colours, while improving their brush control and technique. They will explore the work of Mondrian and move on to understanding colour tones can be warm or cool and mix primary colours to create warm or

Key Vocabulary

I will learn...

- ⇒ To identify Primary colours (red, blue, yellow).
- ⇒ To explore mixing primary colours to make secondary colours.
- ⇒ To use a paint brush to create different marks with increasing control.
- ⇒ To recognise warm and cool colours.
- ⇒ To start to mix warm and cool colours using primary colours.
