

Dear Parents/Carers,

Our topic this half-term is called '**Let's Explore**' and we will be visiting Shirley and the New Forest to compare the settings.

The home learning project for this half-term is to write about your favourite place to visit in Hampshire. Please draw a picture of somewhere you have visited and label any human and physical features you would find. e.g. houses, shops and roads would all be human features whereas rivers, vegetation and hills are physical features. Please may this be handed in by Friday 13th May ☺.

If you need any help or guidance with this half-term's home learning project, please speak to your child's class teacher.

Many thanks,

The Year 1 Team

Dear Parents/Carers,
