KEEPING US INFORMED

Please could we ask all parents to inform the school if anyone in the household is going for a coronavirus test or is self-isolating as another family member in the household has tested positive.

Please remember to be considerate of others when lining up in the queue and to wear a mask where possible unless you have a medical condition which exempts you.

Coming soon

From Wednesday 19th May 2021 the table set up in the classrooms will be going back to normal.

As of September 2021 the children will revert back to wearing their school shoes.

My Child at School App — MCAS

As we have previously communicated we are now using a new online app for payments, weekly communication and emails

If you have not yet down loaded the MCAS app or visited the website to access this or are having issues accessing MCAS please let the know so that we may assist you with this as we will be using other aspects of MCAS in the future

If you are currently not using the MCAS app the Weekly Communication will be sent to your nominated email address whereas if you have downloaded the add it will show in the MCAS app

GOVERNMENT CHANGES

Whilst the government is making changes to what we can do from the 17th May the guidance for schools stays the same. Therefore we will continue to have the staggered start to the beginning and end of the day. We will also still continue to ask you to wear masks and socially distance whilst in the queue and playground. We will be making a small change in the classroom and putting the tables together. All other safety measures and elements of the risk assessment will stay in place ie, hand washing, gelling hands, additional cleaning throughout the day etc.

READING PLANET

Here are this week's results - Congratulations to **Otter Class** who have the most logins on Rising Stars this week. You have earned a head teacher sticker.
