

What I already know...

I can use scissors (EYFS, M&H).

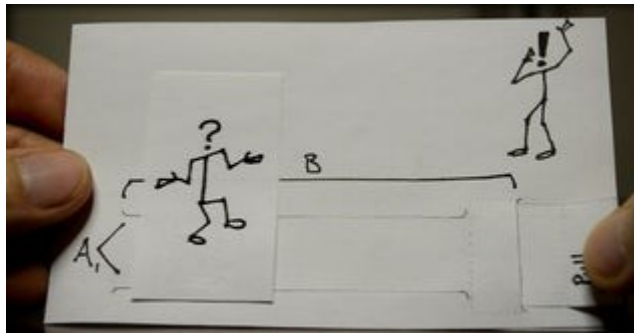

I can enclose a space in my drawing (EYFS, M&H).

I can make a product for a purpose (EYFS, MM)

I have had real life experiences of moving pictures in a book (EYFS, L)

Moving Pictures

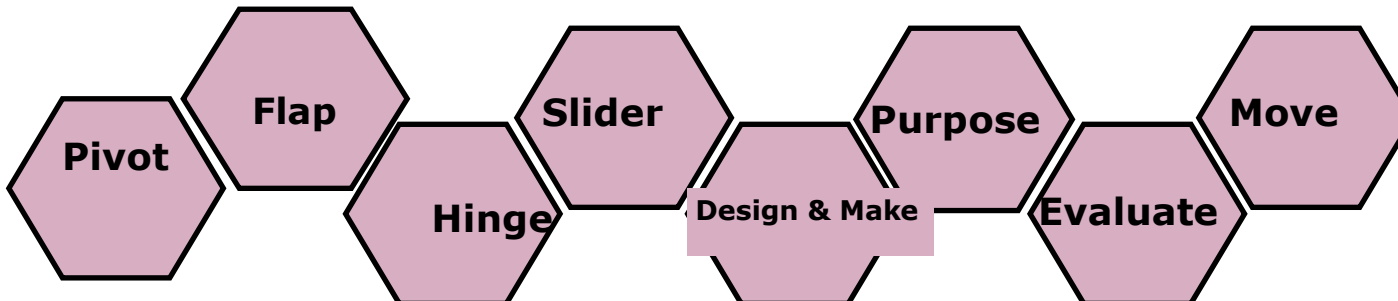

Bring your traditional story to life through the application of a mechanism including flaps, hinges and sliders. Choosing the most appropriate method for the part that you would like to be moving.

I will learn...

- ⇒ What the names of moving mechanisms—**slider, pivot, hinge, flap**
- ⇒ The purpose for moving mechanisms.
- ⇒ How to select the most appropriate moving mechanism for a design.
- ⇒ To evaluate why my design is successful and what I can improve.
