

## SCHOOL VISIT INFORMATION SHEET

September 2024

Dear Parent /Carer

The Life Long Ago Workshop will bring prehistoric life to our children. The workshop experience will allow the children to search for fossils in the large sandboxes and the children will be able to locate and identify fossils from some of the most iconic dinosaurs of the past. Tyrannosaurus Rex, Stegosaurus, Triceratops. This workshop will support our 'Dinosaur' topic and will learn about when each dinosaur lived, where they came from, what they ate and much more.

They will become 'little archaeologists' for the morning and use the tools to excavate the fossils. As part of the workshop we will have an expert to deal with all the burning questions from our young palaeontologists. These workshops will support the children's communication and language development and physical development.

<b>Visit Name</b>	Life Long Ago Workshop
<b>Visit Organiser</b>	Mrs Smith
<b>Date</b>	24 <sup>th</sup> September 2024
<b>Cost</b>	£5.20 – Please pay online via the MCAS app. (Please speak to a member of the office team should you require any assistance with the payment.)
<b>Additional Requirements</b>	Children will need to bring a packed lunch on this day for a 'Dino picnic'
<b>Medical Information</b>	Please inform us if your child has any known allergies that may prevent them from participating in the workshop. Please provide any prescribed medicine to the school office and complete a medical form.

You have previously provided permission to the school for your child to attend visits/workshops, but if you would like to withdraw your child from the Life Long Ago Workshop, please do not hesitate to contact your child's class teacher.

Yours sincerely,

Mrs Smith
