

What I already know...

I know how to follow a set sequence

I know how to generate ideas for simple movements

I know how to move confidently

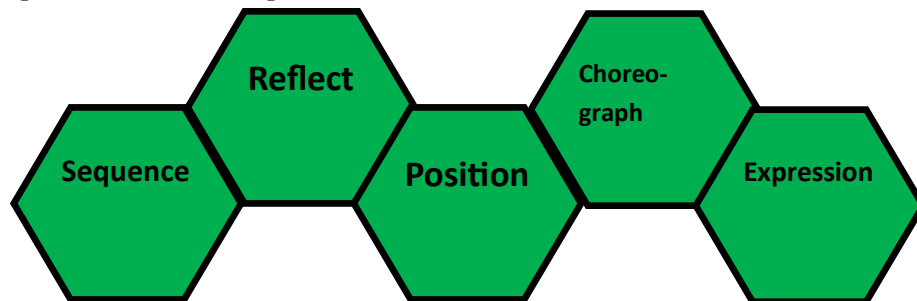

Dance GFOL

Children will build on their movement skills to create a dance based on the GFOL. They will become the people affected by the fire and use movement to reflect the fire itself.

They will perform their dance to an Audience.

Key Vocabulary

I will learn...

- ⇒ To perform a set sequence with some degree of control
- ⇒ To be able to generate their own ideas for different movements for their group part of the dance

Learning values

Collaboration
