

What I already know...

I know how to explore a range of equipment

I know how to explore ways of moving with different equipment

I know how to show increasing control when kicking a ball

Football

Children will start to link their skills together and begin to kick and dribble a ball.

They will start to apply these skills to a small sided game and think about how to win by begin to developing tactics for attacking and defending.

Key Vocabulary

I will learn...

- ⇒ To kick a ball with some control
- ⇒ To be able to dribble a ball showing some co-ordination when travelling
- ⇒ To begin to show some accuracy when aiming

Learning values

Perseverance
