

## What I already know...

To explain why some substances should only go into

That my body belongs to me

To recognise similarities and differences

That to have a healthy body you have to keep yourself clean

## Key Vocabulary

# Looking after me

Children will learn to identify the differences between males and females focussing on body parts. They will learn to challenge gender stereotypes in a age appropriate way. They will build on Year R and 1 talking about how to look after themselves and that we are all different and this is ok. They will explore the feelings from these discussions and learn what makes them relax when they are feeling worked up or stressed.

## I will learn...

- ⇒ How some things make them feel relaxed and some things make them feel stressed.
- ⇒ What it feels like to be relaxed
- ⇒ How to stand up for myself and when it is right
- ⇒ To identify the differences and similarities between males and females, naming body parts
- ⇒ To challenge gender stereotypes.
