

## What I already know...

How to recognise and play high and low notes on the chime bars.

How to follow melodic patterns with hand movements.

How to follow simple rhythmic patterns.

# Let It Grow!

## **Intent:**

Children will play Boomwhackers, handbells and chime bars to explore pitch and rhythm. They will use simple notation to follow music and they will learn to use different techniques to create a variety of sounds.

## I will learn...

- To recognise and play high, low and in-between sounds.
- To follow simple musical notation to play different pitches.
- Different techniques to play the chime bars and use them to accompany a recorded song.
- To follow rhythms and patterns.

## Key Vocabulary
