

What I already know...

I know how to pass, kick, bounce and roll a ball

I know how to show some control when performing ball skills

I have worked on my co-ordination skills

Hockey

Children will build on their ball skills and begin to transfer them to a small-sided game. Children will develop their control skills and start to practise a dribble action using a hockey stick.

Key Vocabulary

I will learn...

- ⇒ To be able to strike the ball showing some control
- ⇒ To dribble with the hockey stick, showing balance
- ⇒ To participate in team games, showing some tactics for attacking and defending

Learning values

Collaboration
