

What I already know...

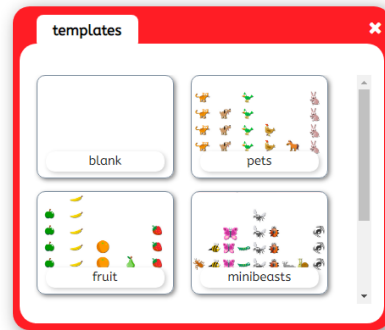

To sort items into sets or simple tables

How to draw a simple graph
E.g. pictogram/block graph

I can explain what a graph shows

Data Collectors

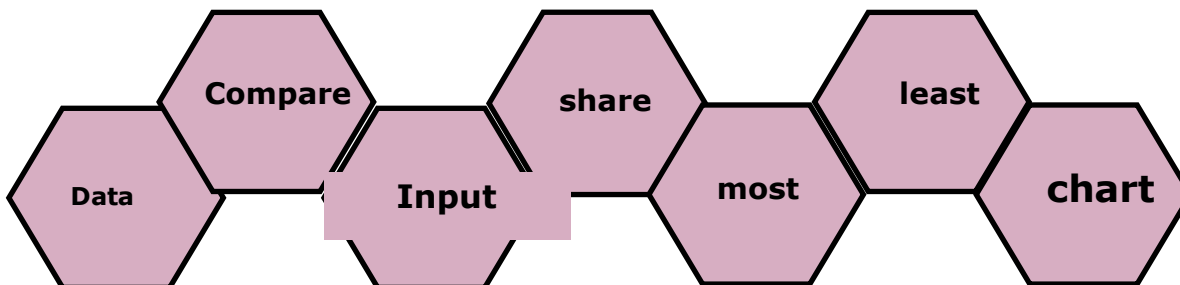

Throughout this unit of work, children will use software on a computer to read, record and present data in different ways.

I will learn...

- ⇒ To read and use a simple database to find information
- ⇒ To add information to a database
- ⇒ To collect and record data purposefully
- ⇒ To present data in a bar chart
- ⇒ To answer and ask questions about bar charts

Key Vocabulary

Learning values
