

What I already know...

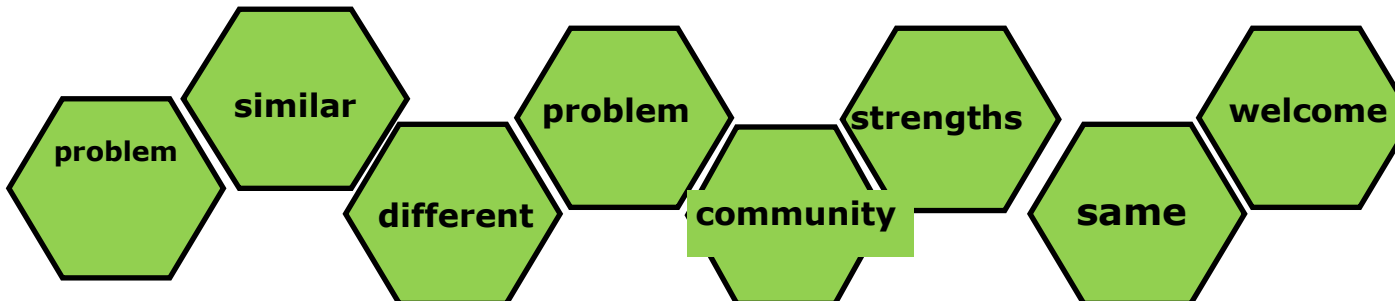

That I belong to a community

I have some strategies to solve a problem

Some strategies to help make people feel better

That I have similarities and differences to my friends and I feel good about this.

Key Vocabulary

New Beginnings

Children will understand that they belong to a community. They will be able to make the classroom a safe place to learn and make someone new feel welcome. The children will be able to express how they are similar or different to their peers and feel good about these differences.

I will learn...

- ⇒ How to feel safe and content in my class
- ⇒ Help others when they are feeling sad or scared
- ⇒ To express confidently how to make someone feel welcome
- ⇒ Additional strategies to calm myself down
- ⇒ How to express similarities and differences and praise someone for their strengths
