

## What I already know...

I know that the weather changes (EYFS, UTW)

I there are seasons which have different weather (EYFS, UTW)

I have observed the changes I see (EYFS, UTW)

# Weather

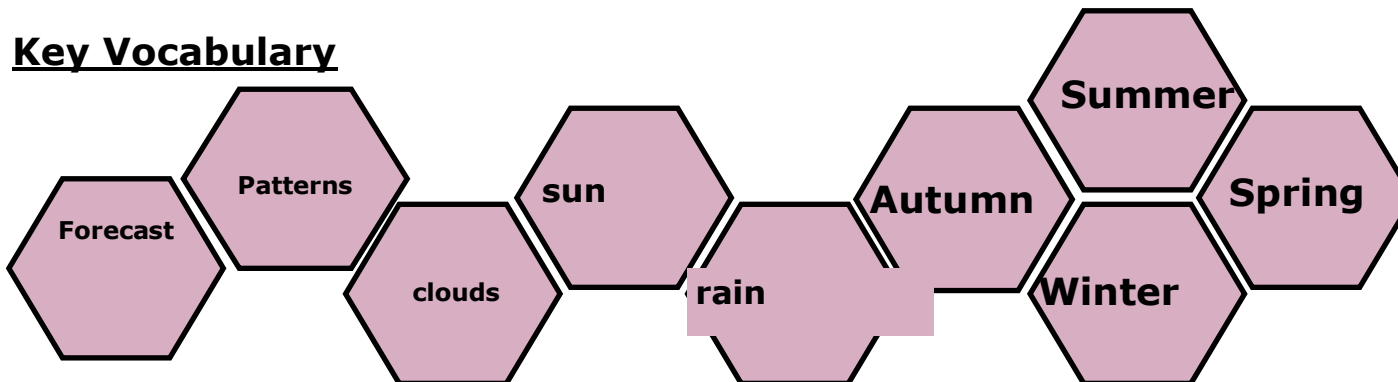

Children will learn about the different seasonal and daily weather patterns. Children will learn about hot and cold climates. Then they will make their own weather chart.

## I will learn...

- ⇒ To understand seasonal weather patterns.
- ⇒ To understand how and why daily weather changes
- ⇒ To know that a countries position (N, S, E and W) of the equator effects their climate.
- ⇒ To know what symbols mean when talking about weather.
