

## What I already know...

I know what a camera is and how to use it to take a photograph.

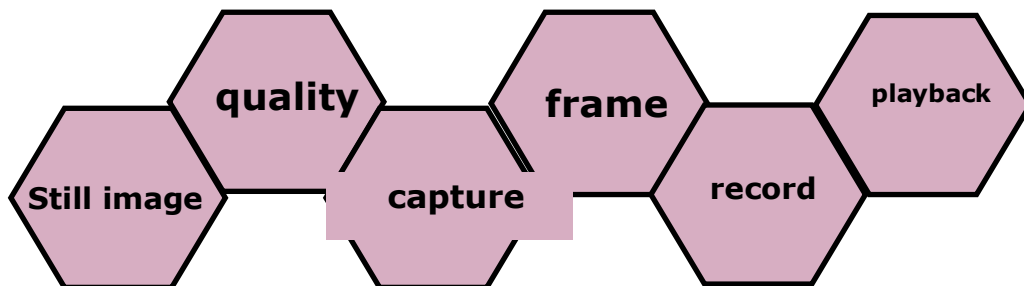

I have explored ways of making and listening to sounds using simple programs and devices.

# Quality Media

Children will build on their knowledge of multimedia equipment to take photographs and make sound recordings to further their learning in their Victorian topic.

## Key Vocabulary

## I will learn...

- ⇒ To take photographs for a purpose
- ⇒ To become more skilled at framing and taking photographs
- ⇒ How to make sound recordings for a purpose using different media

## Learning values

Curiosity
