

<u>Year R</u>

The Farm came to school! We brushed, fed and stroked all of the animals and learnt how to care for them and how important they are to us.

They cut open the pumpkins and used their senses to explore the smells and the feel of the flesh and the hard seeds.

They also looked very carefully to spots any differences or similarities between the different varieties of pumpkins!

and looked at some websites to find out more.

They even turned all of the lights out and had a space party in the dark with some flashing planet lights!

To make the day even more exciting.... It was crazy hair day!

Look at the amazing fun Year 1 had when the wonderful people from Zoo Lab came into school with their amazing selection of animals!

The children discovered all about their basic needs and which category of animal do they belong in. Fish, mammal, bird, amphibian, or reptile.

They worked together in teams and had
