

English, Activity 2 - Week 2

Today's activity is a tricky word hunt around your house. Ask your child to write some of the tricky words below onto a piece of paper.

Set an amount of time, or the whole week! Ask them to find tricky words around the house on or in everyday items e.g. books, food packaging, magazines, labels. Every time they find a tricky word get them to put a tick next to the corresponding tricky word on their chart.

By the end of the set time see which one they found the most of!
