

about Queen Victoria and what it was like to be a child in Victorian times. Your next challenge is to see if you can find out about the amazing Inventions that happened during the Victorian times!

Look below for some ideas...

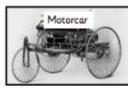

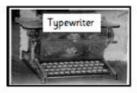

Can you make a Non-fiction book or a poster about the inventions? Remember to include who the inventor was **and** is the invention still used today? You can use photographs and draw your own pictures to show how the inventions have changed!

Make sure you take lots of photographs and put them in your Home Learning books.
