

Parents... When comparing two nouns, we have taught the children to add -er to the adjective. E.g. **Tom is smaller than Tara.** When comparing 3 or more nouns, we have taught the children to add -est to the adjective. E.g. **Tom is the smallest in the group.** (Remember nouns are people, places and objects).

**Activity 1** Add -er and -est to these adjectives. Can you write in cursive?

Root word	Add -er	Add -est
<i>quick</i>		
<i>small</i>		
<i>tall</i>		
<i>cold</i>		
<i>bright</i>		
<i>warm</i>		
<i>strong</i>		

**Activity 2** - Draw a picture of 2 members of your family and write sentences comparing them using the suffix -er.

*For example*

*My sister has longer hair than my brother.*

*My brother is smaller than my sister.*

**Activity 3** - Read the sentences about the monsters and decide if they are true or false.

Drair

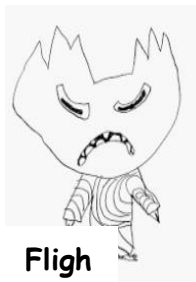

Cloub

Voud

	True or false
Drair is the smallest.	
Voud is taller than Cloub.	
Cloub has bigger ears than Voud.	
Voud looks stronger than Cloub.	
Voud has the sharpest teeth.	
Cloub has the longest arms.	
Voud looks the quickest.	

**Activity 4** - Draw three of your own monsters in your work book and write comparative sentences. Remember to give your monsters names.

Fligh

Goab

Twean

★ Challenge - Can you use the conjunction -but in your sentence. ★  
e.g. Fligh is smaller than Goab but Twean is the smallest.
