

Rumble in the Jungle

For your child's topic learning this week we would like them to have a go at writing jungle riddles. They could use the facts they learnt about their favourite jungle animals to help them.

Can they choose two or three different animals and write "What am I" clues to read to a family member. Each animal must have two - three different clues. On the back of their paper they could draw the animal and reveal it once somebody has guessed.

Here is an example for an Orangutan.

I am big and have orange fur.

I eat fruit and leaves.

I am an endangered animal.

Here is an example for a snake.

I slither through the grass.

I could be poisonous.

I am covered in scales.

You could take a photo of your clues and send them to your teacher. We would love to try and guess your jungle animals!
