

tion

Makes the sound /shun/

Rules

If the root word ends in a **t**, you add '**ion**' - e.g. act - **action**

If the word ends in **te**, you drop the **e** and add **ion** - e.g. create - **creation**

If there is a '**k**' sound before the suffix '**tion**', it's spelt with a **c** not a **k**. e.g. fraction

Let's have a go at reading the following words:

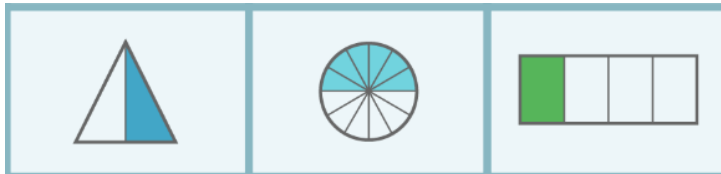

ration

fiction

fraction

friction

station

portion

caution

direction
