

# Oxford Owl - Blue

## 'Number Poems'

### Retrieval Questions with Rex Retriever

Rex Retriever will help you to go into a text and retrieve the facts.

### Questions:

- *Read Woof*  
At 'three, four' what is the dog doing?  
At 'seven, eight' what is the dog doing now?
- *Read Zoo Dream.*  
What happened when the girl dreamed about the zoo?  
How many monkeys were there?  
What were the lions doing?  
How many crocodiles were there?  
What was the seal doing?
- *Read My Best Number.*  
List all the reasons why six is Franky's best number?
- *Read In Bed Again.*  
What did the girl do when she lost her temper?  
What did the girl lick from the plate?
- *Shopping List*  
How many pieces of meat did he buy?  
How many apples did he buy?  
How many items did he buy altogether?

Have you read any other poems before with numbers in? You could have a look on the internet to see if you can find anymore!

### Extra ideas:

- Can you write your own poem which is about numbers? You could choose one of your favourite poems from this book and change some of the words.
- Can you draw all the items from the shopping list?
- Can you decide on your favourite number and then make a poster for it? You need to include why it's your favourite number with facts about it.
