

Dear Children,

I would like to come and visit your school.
I will have to bring my little lamb with me
because he follows me wherever I go.

My lamb likes to eat lots of grass. He likes
to be outside and your field looks like a
good place to be.

My little lamb has fleece as white as snow
too. Will he stay nice and clean if he came
to your school?

My little lamb is very shy, do you think he
will be okay with all of the children and
teachers in your school?

Please can you write back to me and tell
me if I can come to school with my little
lamb?

Love from

Mary xx
