

Year 2 - Week 13 - Phonics

For this week's phonics we will be looking at some sounds that sound different to how they are spelt. We call these alternate pronunciations.

**S** makes the /zh/ sound

**O** makes an /u/ sound

Activity 1: Read the following words. Do you recognise the alternate sound as you say each word aloud?

month

measure

some

vision

gloves

other

mother

usual

treasure

worry

Activity 2: Circle the pictures that have an 's' as a /zh/ sound or 'o' as an /u/ sound in their word.

**Challenge:** Read the following passage. Underline the words that have the /zh/ and /u/ sounds.

On Monday, Mavis the monkey and his brother Mardi were watching the television. While watching the adverts, they spotted a treasure game they wanted. They asked their mother if they could do any jobs for her and she told her sons that she had dozens of jobs for them to do. They earnt their pocket money in no time!
